What a great way to spend the summer! As God would have it, Steve and Jenny Horn found themselves available to serve for the summer at My Father's House. They, along with their three year old little girl, Emma, will have been with us for about a month before we leave for the USA. This has allowed them the opportunity to "learn the ropes." They have been good students! We feel very confident leaving them in charge of My Father's House while we are away.

Steve & Jenny arrived with ambition, energy and lots of supplies needed as ingredients for a fun-filled summer. They dove right in and have been doing a great job!

The Horns will not be alone for the summer. God has called in the troops! A week after we leave, a team from Cincinnati will be here to lend a hand. This is a Father / Daughter team. Two dads and three teen young ladies, Jim and Rachel Pandorf, Mark and Abby Musselman and their friend Lindsey Lessler, will be here with a week of activities for My Father's House.

Early in August Steve has to get back to work so a friend of Jenny's, Pam Howe, and her daughter, Kylie, will join Jenny for a couple weeks.

Michelle Laser, a young lady who helped us move to Jamaica 7 years ago, will be here

Mark Musselman, Jim & Rachel Pandorf,
Lindsey Leffler, Abby Musselman

Pam & Kylie Howe

with Sherine caring for the children the week we return.

It's amazing what God has done in forming this group of people to care for My Father's House. Each person who is going to be here for a part of the summer is bringing their own talents to share and teach the children.

We are greatly

Thanks!

SPORTS DAY

Each year on the last Saturday in June Church of God of Prophecy of Petersville hosts a sports day. My Father's House has participated in it for the last few years. We are on the PORPLE team. Residents of My Father's House participate in a variety of ways. Each team gets points for different achievements. We are always there at the start in order to be counted since the day starts with a parade of teams and count of those present and wearing their color. One person runs for each team in differing age groups. Since My Father's House encompasses the gamete of age groups, we have a strong representation in the races. Novlette, Liz, Camille, Monique, Rose and Jordan joined just a couple other girls to make up the cheerleading squad. Novlette also participated in the girls cricket match. It's a fun day for everyone involved!

RALLY RALLY RALLY

Pastor & Mrs. Lee

The main fund raiser of each church in Jamaica is their Rally. The LEA church of Fustic Grove, pastured by Pastor Lee, holds it's annual rally in June. KBM was blessed with the opportunity to help in the success of this rally. The tent seen in these pictures was a gift from Food for the Poor. It has come in handy for a couple other events as well. Because of our past faithfulness to Food for the Poor and many homeless families, we are able to provide the shelter needed for this rally. KBM also provided the wood needed to build the platform and the wiring for the electricity needed for the evening.

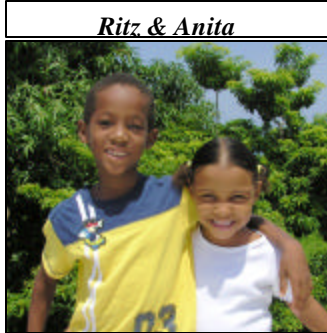

During the evening of the rally, persons representing different churches from the area sing to collect money for the hosting church. Sometimes people pay for an encore. Three of our girls, Rose, Sashi and Novlette, sang as representatives of LEA Whitehouse.

We are looking forward to our visit to the States. Our plans include many visits. The time will seem short I'm sure. We will come into Atlanta and visit some of Penie's family prior to going further north to KY. We will have a short visit there previous to starting nearly a month of traveling. We will share at a few churches and visit some fellow *Kingdom Builders* while meeting new ones. Dallas, TX will be our furthest destination where we will leave Tricia and Tommy at Christ for the Nations before heading back to Northern KY. Upon our return to KY, we will load a container full of donated items. Sounds like a busy time! We are pleased to be bringing Ritz & Anita with us and having Shantel join us for the bulk of our time in the USA. We are all excited about the trip and look forward to sharing more about what God is doing through KBM.

Ritz & Anita

California Here I Come!
Camille is traveling into the USA with us but is going on to California to visit her aunt & uncle while we are in the States. She is thrilled with the opportunity as are we. She came into My Father's House almost a year and half ago one scared and uncertain youth. Today she is a fine young lady.

Funds Needed

CONTAINER

PAINT

KBM has the opportunity to share in the loading and shipping of a container with other ministries this summer. This will allow KBM to ship non-perishable food, toiletries, Christmas toys and other items that are quite a bit more costly in Jamaica but necessary to have. God has opened doors for the possibility to have most of the needs donated, but we will have to share the costs involved in shipping. Please consider a special donation toward this project.

A container is the large box tractor trailers carry. The container is 45'x8x8.

My Father's House has needed a good paint job since we moved in nearly three years ago. We have painted much of the interior and believe it is time to start on the outside soon. How soon depends on supporters such as yourself.

The project will cost approximately \$5,000 US. If you would like to contribute to this special project, please write "paint" on the memo line of your check. You can view the progress of the contributions at www.jaminjamaica.com.

ON-GOING SUPPORT

Things are tighter than ever before and we're sure you are feeling it at your home too. All daily living expenses have increased. Bringing in the container of supplies is just one way we are trying to cut expenses. Some costs just can't be lessened by great amounts. Food, gasoline, utilities and clothing are continual demands for every household. Please pray and consider giving to help support My Father's House.

Feed the hungry and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as day. Isaiah 58:10 (NLT)

Update on Sherine Sherine has had a mastectomy of her left breast. She must under go 4 more treatments of chemotherapy and 4 weeks of radiation. By the time this reaches you she will likely be through with most this treatment and planning an appointment for reconstruction. Sherine met a plastic surgeon who is willing to donate his services, a value of \$1500 US! Praise God! Sherine will only need to purchase the implant. Thank you to all of you who have given toward her treatment! We are sincerely grateful! It has been a difficult journey, but the other option would have been far more painful.

"I was sick, and you cared for me...." Matthew 25:36 (NLT) **THANK YOU!**

FOR ONE - 500 SOI
KOB - 500 SOI
KOB - 500 SOI
KOB - 500 SOI
KOB - 500 SOI

This is a common question we are asked. It is best answered with scripture. Please pray in these ways for KBM in general and the Koch family personally. Thank you!

So we have continued praying for you ever since we first heard about you. We ask God to give you a complete understanding of what he wants to do in your lives, and we ask him to make you wise with spiritual wisdom. Then the way you live will always honor and please the Lord, and you will continually do good, kind things for others. All the while, you will learn to know God better and better.

Col. 1:9-10 (NLT)

And so we keep on praying for you, that our God will make you worthy of the life to which he called you. And we pray that God, by his power, will fulfill all your good intentions and faithful deeds. Then everyone will give honor to the name of our Lord
